

Study Lounge

Virtual Office Plan Comparison

★ 'Study Lounge' plan provides space and facility to teachers and students from middle school to university level for individual study, group study, and tutoring.

- Service Distinction

- PSS (Public Study Seat) : University library type big table shared with other students in an open space
- ISR (Independent Study Room) : A quiet and cozy individual room that is ideal for study requiring concentration
- GS (Group Study Room) : A professional looking meeting room equipped with writing board and projector for group study and presentation.

- Conditions

- Students and school teachers must present school ID at the reception.
- If requested, free tutor matching service can also be provided to students.
- No fees for the tutors referred by Omnistellar and accompanied with students.
- Weekend usage can be arranged through reservation.
