

Shared Office

Shared Office Plan

★ 'Business' plan is for those who avails the space and the services for their business, work, and career purposes, and our virtual office address can be registered address of your business.

- Service Distinction

- VSO (Virtual Shared Office) : Enables you to work from home, abroad, or another location, being equipped with support and a professional office.
- SSO (Serviced Shared Office) : A professional and cost effective shared office, and an ideal and optimal solution for start-up business and entrepreneurs.
- SPO (Serviced Private Office) : A professional and cost effective office that you can actually move in, and an ideal and optimal solution for start-up entrepreneurs and business owners who need private room
- CFR (Conference Room) : Our meeting rooms are optimized for presentation, video conference, and business meetings, and can be leased for move-in.

- Shared Office Usage Regulation

- The office usage hour is strictly from 9am to 5pm.
- Usage of the space after 5pm will be charged, and the space shall be used for other business entity or shall be used as study lounge.
- Any documents or office supplies CANNOT be stored at shared office space, private room, or conference room, and loss or damage will not be responsibility of Omnistellar Inc.
- All the documents or office supplies shall be stored in provided cabinet with lock upon finishing the daily work at 5pm, and the loss or damage to the stored items due to unlocked cabinet shall not be responsible.
- Alteration of the interior for any virtual office space is not allowed even when they are leased under the lease plan.
